

Option #168

Glideaway Power & Data Drawer

Edge mounted power and data or voice unit. Ideal for mounting on table edges, lecterns, and desks. Unit extends 6". Matching wood piece to cover front of unit. Does not integrate well with the FR, F9, or FX edge. Standard items include a textured black metallic finish and one power receptacle with 144" power cord. Data or voice jack will have a 144" patch cable. Unit is neither UL listed nor CSA approved.

Unit is available in below configurations.
Please order by full option number.
